

Biodrier Executive High Speed Hand Dryer

Product Code BIO-EXEC

The Biodrier Executive is a sophisticated high speed automatic hand dryer with a dual airflow to dry hands within 10 seconds. The revolutionary brushless motor uses its own generated heat to warm the air saving power, money, and reducing your carbon footprint. The hand dryer is fitted with a replaceable Antibacterial filter and air freshener as standard making the unit hygienic and clean.

- Wall mounted executive ultra high speed hand hands in dryer.
- ABS plastic cover in white, silver, gold or blue finish.
- Outer cover is hard wearing, burn proof, rust proof, and has an anti-microbial coating.
- No-touch activation with three infra red sensors for accurate detection.
- Energy efficient utilising the heat from its own brushless motor to provide warm air to dry hands.
- Lockable drip tray catches excess water.
- LED display informs you when full, simple removal and emptying.
- LED display with drying time count down and maintenance information.
- Typical drying time 10 seconds.
- CE, WEEE, GS approval.
- 700 watts motor rating.
- 5 year warranty for England and Wales (3 years on site parts and labour, years 4 & 5 parts only).
