

## Biodrier Eco Hand Dryer

**Product Code BIO-ECO**

This hand dryer comes with a robust metal tamper resistant front. It incorporates an easy clean air filter. The air filter is important as it prevents excess dust and dirt from accumulating inside of the unit. The filter is placed against the side of the grill which allows quick and easy cleaning without having to open the unit. It also has a tilted top to 12 degrees to stop users from leaving unwanted items on the top.

- Large drying area.
- 13.2cm between the air nozzles and the wall, there is even more than enough space for large hands to dry comfortably.
- 0.1sec quick response.
- Optimized hand sensors quickly react to users input for a more positive user experience,. It takes less than 0.1sec for the unit to detect hands and begin dispensing air.
- 15cm Wide Nozzle.
- Wide Nozzle spreads airflow across a large area, enabling both hands to be covered at the same time.
